

BannerFlex® Messenger® GMS

Permanent Outdoor Banner Stand

Since 1983, Kalamazoo Banner Works has been the industry leader in innovative banner display systems. With proven quality and engineering, it's no surprise that cities, companies, schools and organizations look to KBW for outdoor pedestrian-level signage.

The BannerFlex Messenger GMS is a permanently installed outdoor banner stand that allows banners to be easily changed. Constructed of 100% aluminum with a powder coat finish (custom colors available), the GMS features a spring-loaded banner tension bar for tight & easily changed graphics and is available in multiple widths from 16" to 24" and a standard height of 72". The GMS is ideal for drive through bank islands, parks and zoos, special exterior retail signage or wherever permanent pedestrian level signage is desired.

Messenger PT and GMS are engineered for durability and dependability with one job in mind: **To put your message in front of people and keep it there.**

- **100% aluminum construction**
- **Spring-loaded banner tension**
- **Permanent mount**
- **Easily changed graphics**
- **Tamper-proof fasteners**
- **Exterior powder coat finish**
- **Made in the USA**
